

RETRACTABLE CENTERING PIN

12,70 € excl. tax
15,24 € incl. tax

SKU: JLBP42R | **Categories:** [Spare parts for BOEHM punch sets](#), [Striking tools and accessories for hollow punches](#) |

DESCRIPTION DU PRODUIT

This retractable centering pin has a dual purpose:

- It allows precise positioning of the hollow punch cutting. Before the cutting, the pin is extended to allow centering. During the cutting, the pin is retracted. It can also be used as an ejector for the cut pellet. It can be used from a diameter of 11 mm.
- It can also be used to center the cut using the circular cutter.

Made in France
